Top 10 C'S OF SUPREME LEADERSHIP

1. **COURAGE:** Become a pioneer, invest in yourself, other people, and causes in alignment with your core values.
2. **COMMITMENT:** Become your word, accountable, and practiced, living in completion energy.
3. **CURIOSITY:** Ask questions constantly, become an avid learner, read voraciously, create solutions, and seek truth.
4. **COMMUNICATION:** Become a storyteller, listen deeply, and express truths clearly.
5. **CONNECTION:** Cultivate conscious relationships with yourself, other people, and your environment.
6. **CONTRIBUTION:** Be in service as a change-maker and leader for the highest wellbeing of all.
7. **CREATIVITY:** Become playful, defy logic, laugh often, and enlist your imagination to realize dreams.
8. **COLLABORATION:** Become generous, be open to receive support, build loving communities of leaders dedicated to excellence and growth.
9. **CUSTOMIZATION:** Become emotionally and intellectually flexible, adapt effectively, integrate new data to experience a positive outlook and outcomes in your life.
10. **COHESION:** Become harmonious, living in flow and full integration of mind, body, and spirit.

P.S.

Remember that you are the common denominator in the equation of your wellbeing. You are a supreme leader, creator, and being who is powerful beyond measure. Who you are being informs your reality. And who you are being in one area of your life can inform who you are being in all areas of your life, consciously or unconsciously: Relationships, career, health, finances, spirituality, and leisure. I see you and honour you.
